

## 15 hour Scrapbooking Fundraiser Saturday, November 14<sup>th</sup>, 2009 (9am - Midnight)

Thank you for registering for our AGI Women of Today Scrapbooking Fundraiser, held on Saturday November 14<sup>th</sup>, 2009 at the Arlington Community Center. Our fundraiser has gotten so popular that we once again had to turn people away! 100 scrappers' is our limit and you are one of the lucky few to attend.

Once again, our wonderful vendors would like to offer you some **pre-sale** opportunities. If ordered before their deadline, they will bring the product to you to use at the event! What a deal! Check them out here on our website at [www.agiwomenoftoday.org](http://www.agiwomenoftoday.org)

**Are you a Facebooker?!?** Visit our page on Facebook and become a FAN! Our Facebook Fan's are the first to know about our events, happenings and exciting news. [www.facebook.com/agiwomenoftoday](http://www.facebook.com/agiwomenoftoday)

**Be a Santa's Helper!** Help support Sibley County by bringing a new, unwrapped toy for a child age 0 - 18 to the event. With each toy donated, you will be entered in a special drawing separate from the rest of the event. While we encourage you to bring as many toys as you like, there is a limit of 3 chances per person for this drawing.

### *Some important event details:*

- Check-in can begin at 8:30am, however doors to the scrapping area will not open until 9am. This is to allow us and our vendors time to set up and prepare.
- There is no assigned seating, you can sit wherever you would like in the hall.
- The hall will be full with scrappers, so please plan on having 2 people per round table.
- You can help us control costs by bringing some brown paper bags for scraps at your table.
- Everyone will receive a goodie bag. Not all goodie bags are identical, but they all have the same value.
- Because this is a fundraiser, we rely heavily on donations for the prizes and goodie bags. Unfortunately, due to the economy, donations for the goodie bags are low this year, but we do have over 50 door prizes!
- Approximately half the door prizes will be given away based on your registration number (no other purchase necessary.) The other half will be given away based on our standard ticket system -The more you spend with the vendors the more tickets you will earn.
- As in the past, we reserve the right to randomly give away prizes and tickets - we like to have fun!
- Sitting for 15 hours can get uncomfortable. Feel free to bring a pillow to sit on.
- Temperature in the hall can be hard to control, please dress comfortably. We suggest wearing layers.
- It is also hard to control the level of noise and music at the hall, so if you would like to bring a small radio or MP3 player to play quiet music at your table you can. Bring batteries as plug-ins are hard to find.
- If you are bringing a Cricut or a machine that needs to be plugged-in, please consider bringing an outlet strip. Outlets are extremely limited in the hall.
- All meals, snacks and beverages are included in your registration cost. Be sure to check out our website frequently to see what will be available.
- While we will stay up with you until Midnight, the snacks and beverages will end at 10:30pm.
- The event will be at the Arlington Community Center which is located on Hwy 5 across from Cenex.
- Nearby hotels can be found in the Gaylord, Glencoe and Waconia area.
- No children under the age of 12 please.
- Cancellations are subject to a \$5 processing fee if cancelled before Nov 6<sup>th</sup>. No refunds for cancellations after Nov 6<sup>th</sup>. No refunds or goodie bags given out for "no shows". Usually people will find someone who would like to take their "spot" v.s. canceling.
- Last but not least, be prepared to HAVE FUN! :-)
